No Wrong Door Plan Updates...Coming Soon to a Town (or a Webinar) Near You

Just wanted to let you know the No Wrong Door (NWD) project is still alive and well, but we need your help once again! Your feedback on the draft plan throughout the last year helped create the framework for a system that supports the overall NWD vision: a visible and integrated system that empowers Hoosiers to make informed decisions about their long-term services and supports needs. We submitted our draft plan to the Administration for Community Living (ACL) on September 29, 2015.

We couldn't think of a better way to spend the dog days of summer with you than to host stakeholder meetings and a virtual session to share key elements of this planning grant, along with proposed steps for implementation. Please plan to participate during the last week of August, and give your input on the plan before its final submission to ACL at the end of September 2016.

Dates and places are listed below. For particulars, including registration information, please the NWD flyer on the [NWD Web page](#). The flyer ready to print and post in a conspicuous place in your organization!

- August 22 at Allen County Public Library in Fort Wayne
- August 23 Webinar in your office (What could be simpler?)
- August 24 at SWIRCA & More Activity Center in Evansville
- August 25 at CICOA Aging & In-Home Solutions in Indianapolis

Don't forget to register!
